RECTOR'S FOREWORD

It's a big pleasure to be with you on this occasion of the 7th Graduation ceremony. On behalf of the Chancellor, the Governing Body members, the personnel and the students of CUR, I would like to welcome everybody and wish the blessing from God with us.

Dear Graduands, your journey which has led to this day was not easy. COVID-19 pandemic and associated effects have been strong tests in your academic life. We thank you for your expressed commitment, endurance, maturity and patience. Without those talents, you would not be here today to celebrate your achievements. The CUR mission is to contribute to the solving of development challenges in Rwanda. The excellence for promotion of science, education of honest and committed professionals for the social, economic, technological transformation and religious training is our vision. As you are sent out to serve our country, the world and the community, we believe in your success in life in general, and in your respective careers and professions, particularly. It is in that way that you will be sustaining the CUR mission and vision.

The achievements of CUR are resulting from the efforts and dedication of its members, in their respective responsibilities. I take this opportunity to thank the governing body members, the management team, the academic staff, the administrative staff, as well as support staff, for your contribution in the progress of our institution.

Dear guests, dear partners, CUR cannot achieve its mission without your collaboration and support. It's through your institutions and organizations that our students conduct practical works, internships, industrial attachment, research and community services. We strongly acknowledge your contribution to our achievements and we wish to maintain these relationships. Today, we are very happy to share with you the joy from the results of our efforts.

We thank everybody who is here physically, virtually or spiritually to celebrate this event. We wish you a good stay with us.

May God bless you!

Fr. Dr. Laurent NTAGANDA
